

DECLARATION OF CONFORMITY FOR THE HS POWER SUPPLY/SERIES/RANGE

We, Fortron Source Corporation, 2925 Bayview Drive, Fremont, California, 94538 declare under our sole responsibility, that the HS series (as described on the attached product covered sheet(s) in the case of a series or range) and which carry a CE mark comply with EN60950, A2, 1993 or A3, 1995 and hence are eligible to bear the CE mark for the Low Voltage Directive (73/23/EEC) only, as amended by the CE Mark Directive (93/68/EEC). Further, all products covered by this declaration are manufactured by a process which ensures compliance of the products with the technical documentation and with the requirements of the Low Voltage Directive.
