RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO Hi Vis Vests are a functional and lightweight high visibility safety waistcoat that is an essential part of protective workwear.

The simple vest design is easy to put on or remove by using a hook and loop fastening and is perfect for wearing over jackets or other clothing for increased visibility.

Comfortable and convenient, the hi vis vest has wide reflective bands that highlight the wearer as distinctly as possible, even in low light conditions, whilst the fluorescent colouring allows for excellent visibility in normal light conditions.

Certified to EN ISO 20471 class 2
