

54V XR FLEXVOLT SDS-Max Chipping Hammer – 2 X 9Ah

DCH832X2-QW

FAST CHIPPING ON CONCRETE with 10.5 J of impact energy
DESIGNED TO REDUCE VIBRATION AT THE HANDLES compared to rotary hammers
without SHOCKS Active Vibration Control® system
PERFORM HIGH-OUTPUT HORIZONTAL CHIPPING: Midweight build makes it suitable
for high-performance, horizontal chipping in upper to lower wall and
bushing applications

MAINTAINS CONSISTENT SPEED UNDER LOAD with built-in constant-speed
electronics designed to keep operation speed steady
PAIRS DIRECTLY WITH COMPATIBLE DUST EXTRACTORS: WIRELESS TOOL CONTROL™
technology enables remote extractor activation for simultaneous activation
and deactivation while you work
