| 产品型号        | SAMHL20/25M                                                                                                                                                                                                                                                                                 |
| 产品ID        | 7TCA296030R0440                                                                                                                                                                                                                                                                             |
| 欧洲商品编号(EAN) | 5020963801495                                                                                                                                                                                                                                                                               |
| 目录说明        | ANTI-MICROB LIQ.TIGHT NC20 25MT WHT                                                                                                                                                                                                                                                         |
| 详细描述        | Liquidtight. Anti-Microbial Conduit, Conduit Size - Metric 20 Millimeters / US Trade Size 1/2 Inch, Outside Diameter 21.1mm, Inside Diameter 15.9mm, Static Bend Radius 80mm, IP40-IP69 Rating, Galvanised Steel Core, String Packed and Thermoplastic Jacket, Reel Length 25 Meters, White |

| 其他信息   |                                                                    |
|--------|--------------------------------------------------------------------|
| 应用     | Suitable for indoor splash zone areas or food processing equipment |
| 产品应用类型 | Anti-Microbial Conduit                                             |

| 订货信息        |               |
