

### Declaration of Conformity

ebm-papst UK Ltd, Chelmsford Business Park, Chelmsford, Essex CM2 5EZ declares that the products listed below have been manufactured and tested under an ISO 9001:2015 certified quality system and, where applicable, comply with the relevant parts of the following EC Directives.

**Low Voltage Directive**    2014/35/EU

**EMC Directive**            2014/30/EU

**Ecodesign Directive**    2009/125/EC

Unless stated otherwise, all ebm-papst products comply with the RoHS Directive 2011/65/EU and Delegated RoHS Directive 2015/863.

ebm-papst Part No.	Description	ERP compliance
W4E350-DN02-39	230V 350 DIA PLATE AXIAL	<input checked="" type="checkbox"/> - Non Compliant <input type="checkbox"/> - 2013 Pass <input type="checkbox"/> - Outside Scope <input type="checkbox"/> - 2015 Pass

**Note:** ebm-papst products are sold as components to be built in to other equipment and, as such, responsibility for compliance with the Machinery Directive 2006/42/EC lies with the manufacturer of that equipment. As components, they are also considered to be outside of the scope of the WEEE Directive 2012/19/EU.
