**Subject: MicroLogix 1000 Controller Lifecycle Status Announcement**

Rockwell Automation announces that as of 30 June 2017, the MicroLogix 1000 controller will be discontinued and no longer available for sale with last-time-buy date of 30 June 2017.

To support your transition, we recommend migrating to Micro820 or Micro830 controllers. Similar to the MicroLogix 1000, the Micro820 or Micro830 offers the same functionality and better ease of use.

Impacted products are as follows:

Catalog Number	MicroLogix 1000 Description	Discontinued Date	Recommended Replacement Micro820 or Micro830
