## RS Pro Replacement Cable Stripper Blade for use with Cable Strippers

RS Stock No: **469-7046**

### Product Details

RS Pro replacement cable stripper blade is suitable for use with cable strippers. It consists of spring loaded gripping arm with blade, which has an adjustable cutting depth up to 3 mm. The blade may be turned through 90° by pushing a side button. In this position, the tool cuts along the length of a cable, which enables insulation to be peeled away easily. The V shaped plastic jaw fitted to gripping arm, for easier rotation of the tool around cables.

### Features and Benefits

- Cable stripper for fast and effective stripping of outer insulation from round cable
- Simple grip and rotate action cuts cleanly around circumference of cable
- Stripping range of 4.5 to 26 mm dia.

**Specifications:**

Accessory Type	Replacement Blade
For Use With	Cable Strippers
