|                                 | UL Listed                     |
|                                 | CSA certified                 |

## Features & Functions

### Features

UV resistant

## General

Outer diameter - approximate

17.5 mm

Outer sheath material

Polyvinyl chloride (PVC)

Permitted bending radius, moving application with forced guidance - min

15 mm

Suitable as

Signaling cable

## Safety

Flame retardant

In accordance with EN 60332-1-2
