High-speed performance for your on-the-go content

Designed for your tablet, smartphone, or sports camcorder, Lexar® Professional 667x microSDXC™ UHS-I cards let you quickly capture, playback, and transfer 1080p full-HD, 3D, and 4K video, as well as the highest-quality movies, photos, and songs. These cards leverage Class 10, UHS Speed Class 3 (U3), and Video Speed Class 30 (V30) ratings to deliver high-speed performance—up to 100MB/s (667x)¹. The cards are also A2 rated allowing you to run apps directly from your card without slowing down your Android A2 enabled device². These premium memory solutions give you the speed and space you need to capture more adventure with your action camera on the go.

Capture adventures in 4K and full-HD. Calling all adventure seekers and adrenaline junkies! Make the most of your adventures in the great outdoors by leveraging the power and performance of these cards. So, whether you're shooting the action with your sports camcorder or an aerial camera, you can quickly capture, playback, and transfer a large amount of the highest quality 1080p full-HD, 3D, and 4K video—making it easy to store your greatest moments and then relive the action.

Load apps faster with A2. With A2 rating, the Professional 667x microSDXC™ UHS-I cards are great for use with your tablet or smartphone. Quickly run and store apps directly on the A2 memory cards using an Android Adoptable storage enabled device². The cards also make it easy to quickly download or save all your favorite media files, including the highest-quality movies, photos, and songs.

Get more from your device. With Class 10, UHS Speed Class 3 (U3), and Video Speed Class 30 (V30) rating, these A2 cards leverage UHS-I technology to deliver a transfer speed up to 100MB/s (667x)¹. These high-capacity cards give you the speed and space you need to capture, transfer, and share more adventures on the go.

Easily transfer files with included adapter. For added functionality, the cards also include an SD adapter, making it easy to transfer files between your devices.

Rigorously tested. All Lexar product designs undergo extensive testing in the Lexar Quality Labs, facilities with more than 1,100 digital devices, to ensure performance, quality, compatibility, and reliability.

For more than 20 years, Lexar has been trusted as a leading global brand of memory solutions. Our award-winning lineup includes memory cards, USB flash drives, card readers, and solid-state drives. With so many options, it's easy to find the right Lexar solution to fit your needs. Lexar products are available worldwide at major retail and e-tail stores. For more information or support, visit www.lexar.com.

¹ Up to 100MB/s read transfer, write speeds lower. Speeds based on internal testing. Actual performance may vary. x=150KB/s.

² Requires an Android 6.0 or later with Adoptable storage enabled device and microSD slot.

Actual usable memory capacity may vary. 1GB equals 1 billion bytes.

Warranty:

(For Americas ONLY) Limited lifetime warranty for card and one-year limited warranty for adapter

(For regions OUTSIDE of the Americas) 10-year limited warranty for card and one-year limited warranty for adapter from purchase in regions excluding the Americas
