RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Introducing the high quality, lightweight visitors' safety glasses, RSP10. The robust polycarbonate clear material offers maximum impact protection while providing a clear field of vision. Ideal for on-site visiting, the RSP10 can be worn comfortably over prescription eyewear. The Anti-Scratch coating protects the lenses from scratching during use and storage.
