## Material and Specification

|                            |  |
|----------------------------|--|
| Material                   | Plastic  |
| IP Rating                  | IP68   |
| Coupling Type              | Threaded coupling                              |
| Shell                      | Nylon66, fire resistance:V-0                   |
| Insert material            | PPS max temperature 260°C, fire resistance:V-0 |
| Contact material           | Brass with gold plating                        |
| Termination                | Solder/Crimp                                   |
| Cable outer diameter range | 6-10mm   |
| Mating cycle               | > 500  |
| Temperature range          | -25°C~+85°C                                    |
| Insulation resistance MΩ   | 2000   |
