## RS Pro 3kW Fan Heater

RS Stock No: **842-8166**

### Product Details

RS Pro 3 kW fan heater is a fast 13 A fume-free electric fan heater suitable for industrial or domestic use. This lightweight, compact heater is developed to heat large air volumes utilising an uprated air moving system. It utilises high specification incoloy elements to give safe reliable operation. This device is fitted with a spigot for ducting.

### Features and Benefits

- Industrial/domestic use 3kW 13 A 230 V fan heater
- Airflow volume: 250 cubic feet per minute (430 cubic metres per hour)
- Air in to air out temperature rise in excess of 35°C
- Fitted with a thermostat as standard
- Fitted with a European CEE 7/7/Schuko plug

**Specifications:**

Control Type	On/Off Switch, Thermostat
Heat Type	Fan
Maximum Output Power	3 kW
Nominal Current	13 A
Plug Type	Type F - Schuko Plug
Voltage Rating	230 V
