

Features

- Leaves no residue meaning you are left with a smooth surface
- Non-aggressive so does not destroy your parts
- Removes flux residues from PCBs
- Safe on most plastics
- Excellent cleansing properties
- Ideally prepares surfaces before bonding
- Works well for cleaning glass
- Very good degreaser

RS PRO Electronic Cleaner

RS Stock No.: 0315459

Image

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Isopropyl Alcohol (IPA) is a fast drying but flammable liquid used in many industrial processes and pharmaceutical applications for cleaning and degreasing. The RS Pro Isopropyl alcohol cleaner can also be known as rubbing alcohol. It is a highly effective, general use solvent for removing dirt and grease from many different materials.

General Specifications

Cleaner Type	Isopropyl Alcohol
Package Type	Aerosol
Package Size	400ml
Application	Cleaning and Removing Grease, Oil, Dust or Flux From Delicate Electronic Assemblies
Appearance	Clear, Colourless Liquid

Mechanical Specifications

Density At 20°C	0.79g/ml
Purity	99.7%
Water Content	0.15%
Residue On Evaporation (ppm)	0.002g/100ml max
Total Shelf Life	36 months

Operation Environment Specifications

Boiling Point	82°C
Flash Point	12°C

Approvals

Compliance/ Certifications	RoHS Certificate of Compliance
