RS PRO HSS Tap & Drill Set

RS Stock No.: 694-009

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

Introducing the 29 piece tap & drill set from our own brand RS PRO, a high quality and professional set ideal for a variety of DIY tasks. The combination of tap and drill bits is perfect for creating holes, tapping and thread cutting in a range of materials when used with a hand or power tool such as a tap wrench or power drill.
