

## Datasheet

### **RS Pro New Surge protect lead USB white 6W 2m**

RS Stock No: **122-4457**

## Product Details

RS Pro extension lead power block in white, is a very high quality surge protected block, with 13 A sockets, 2 USB chargers and telecom ports, with 1 m extension cable. The 2 USB ports, which are rated at 2.1 A can be used to charge devices such as iPhone, iPad, iPod, smartphones and cameras without the need of plugging them into your PC. With this 6-way, 2m surge protected power block you can also run your broadband, ISDN or modem connections through the telecom port to protect your devices from electrical damage.

## Features and Benefits

- Two USB charger outputs ideal for use with, iPhone, iPad, iPod and other MP3's, mobile phones, PDA's and digital cameras
- 2.1 A maximum USB charging current; therefore ideal for tablets and other larger devices
- Surge protected 13 A sockets with three channel protection and safety thermal cut-out
- Convenient space saving design
- Power and surge LED indicators

ENGLISH

### Specifications:

Colour	White
Cord Length	1 m
Corded	Yes
Current Rating	13 A
Fused	Yes
Number of Sockets	6
Power Indicator	Yes
Socket Type	Type G - British 3-Pin, USB
Surge Protection	Yes
Voltage Rating	230 V, 240 V
Wired	Yes
