Ultra Vista Goggle Unvented

Product Information

Non-vented premium level goggle which provides excellent protection against large dust particles, gas and fine dust particles as well as liquid splashes. Offers high-impact resistance, tested at temperatures -5°C to $+50^{\circ}\text{C}$. They can be worn in conjunction with prescription glasses and also disposable respirators for complete protection. The lens provides anti-scratch and anti-fog performance for increased visibility whilst working. An adjustable strap allows for greater wearer comfort.
