

DCM848P2-QW

18V XR Brushless 125mm Dual Action Polisher - 2 x 5Ah

5035048714553

Product Description :

The DCM848 18V dual action polisher is the perfect cordless solution for polishing applications powered by a powerful brushless motor to prevent stalling in heavy use. To achieve the best finish possible the DCM848 features a free rotating drive to stop the pad when too much pressure is applied, a 15mm throw to remove more material in less time, variable speed control and the 18V XR battery is rotated 90° to avoid contact with the surface.

Product Features and Benefits :

- 18V BRUSHLESS MOTOR: Enhanced efficiency and durability
- VARIABLE SPEED: Speed adjustment for ultimate control in more applications
- VARIABLE SPEED TRIGGER: Allows further speed control by adjusting the force applied to the trigger
- LOCK-ON SWITCH: Reduces user fatigue in operation
- RUBBER GEARCASE GRIP: Improves control and comfort allowing for greater precision in use
- HOOK AND LOOP BACKING PAD: Allows for quick and easy changes of polishing pads

Technical specifications :

- Battery Capacity : 5 Ah
- Disc Diameter [Metric] : 125 mm
- Max. Disc Diameter [Metric] : 125 mm

Product Warranty :

1 Year Limited Warranty, 3 Year Limited Warranty When Registered

Product Applications :

Automotive, maritime and aviation polishing applications

Included items :

- Side Handle (x1)
- Soft Carry Bag (x1)
- DCB184 Batteries (x2)
- Battery Charger (x1)
