

# STANLEY

## STANLEY Interlock® 18mm Snap-off Blade Knife

0-10-018

### Features:

- Solvent resistant, metal body for added strength
- Quick and easy blade change through notched wheel, no tools required

### Description:

The STANLEY Interlock® 18mm Snap-off Blade Knife has a patented wedge lock safety feature which ensures the blade is secure within the knife. The durable solid die cast metal body is solvent resistant. Blade change has been made quick and easy with the notch wheel feature, so no tools are required during blade change.
