Linx 8[10]

The Linx 810 is perfect for limitless creativity and productivity wherever you are[1]. Powerful and portable, your entertainment and documents come to life on the beautifully precise 8" display powered by a Quad-Core Intel® processor.

With Windows® 10 everything is so familiar and easy to use, you'll feel like an expert straight from the box. Great apps come as standard with the pre-installed Office Mobile apps[2] and the new Windows® Store that brings a unified shopping experience across all Windows® 10 devices so that you can easily purchase great digital content including apps, games, music, movies, and TV programmes[3].
