Features

• SylWork offers a range of high-performance LED work lights, available in both mains-powered and battery-operated models. Designed for maximum versatility, SylWork provides reliable, temporary lighting for a variety of DIY projects, including home decorating, household repairs, cleaning, tidying, and general maintenance tasks. The SylWork Flood Rechargeable is a battery-operated floodlight, ideal for worksite tasks, maintenance work, camping, and outdoor activities. Designed for convenience, it features a built-in hook for hands-free use and offers up to four hours of operating time with a two-step dimming function for adjustable brightness. Emitting a 4000K cool white light, it provides clear, balanced illumination for any task. Additionally, it doubles as a power bank, allowing you to charge mobile devices. Built for durability and practicality, it fully charges in just four hours and comes with a three-year warranty.
