RS PRO Male 3.5mm Stereo Jack to Female 3.5mm Stereo Jack Aux Cable

RS Stock No.: 0802815, 0802816, 0802817

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This range of jack cable assemblies are an ideal addition to any professional set up for audio, visual or lighting connector applications. Designed with two stereo 3.5 mm jack connectors, the cable assembly also offers strain relief to ensure long-lasting protection from splitting or damage. The PVC outer sheath allows for extra durability and flexibility. These cables provide the highest quality audio sound output and offer different length audio video cable assemblies available for convenience.
