

## Features

- **Centralized SDS Access** – Provides a dedicated, easy-to-locate display for Safety Data Sheets (SDS/MSDS), improving workplace hazard communication.
- **GHS Compliance Support** – Aids compliance with the Globally Harmonized System for chemical labelling and documentation.
- **Durable ACP Construction** – Made with high-quality ACP panel and rounded corners for long-term industrial use.
- **High Visibility Design** – Features a bold “SDS INFORMATION CENTER” header and red-white warning stripes for immediate identification.
- **Secure Document Storage** – Designed to safely hold one SDS/MSDS binder, ensuring documents are protected yet accessible.
- **Easy Installation** – Wall-mountable with included screws; quick to install in any industrial or chemical area.

## RS PRO MSDS / SDS Binder Station

RS Stock No.: 0694402

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

## Product Description

- *SDS / MSDS Binder Station is designed to store and display Safety Data Sheets in a clear, organized, and secure manner.*
- *Promotes compliance with GHS regulations by ensuring that SDS documents are readily available to employees.*
- *Ideal for chemical processing plants, labs, warehouses, and industrial facilities where hazard communication is vital.*
- *Includes one 3 ring binder holder to hold multiple Safety Data Sheets.*
- *Back board constructed from durable ACP (Aluminium Composite Panel) with rounded edges for safe, professional installation.*
- *Features a white powder-coated wire rack for binder storage and four-point mounting system for stability.*
- *Red-and-white diagonal stripe design enhances hazard awareness and draws attention to the station.*
- *Clearly labelled with "SDS INFORMATION CENTER" header for fast recognition during emergencies or audits.*
- *Accommodates one standard SDS/MSDS binder, keeping essential documentation organized and protected.*
- *Promotes employee safety and improves response time in hazardous material scenarios.*

## General Specifications

<b>Type</b>	Binder Station + 3 Ring Binder Holder
<b>Material</b>	ACP Back Panel with Metal Wires
<b>Colour</b>	Red and White
<b>Package</b>	PE-LD

## Mechanical Specifications

<b>Dimensions (Station)</b>	508mm X 356mm X 114mm
<b>Height</b>	508mm
<b>Width</b>	356mm
<b>Depth</b>	114mm
<b>Dimensions (Binder)</b>	317mm X 254mm X 63.5mm
<b>Height</b>	317mm
<b>Width</b>	254mm
<b>Depth</b>	63.5mm
<b>Weight</b>	1.9 Kgs

## Operation Environment Specifications

<b>Withstand temperature</b>	-40°C to 80°C
