

## 3M™ ScotchCode™ Tape Dispenser STD

3M™ ScotchCode™ Tape Dispensers

The ScotchCode™ Tape Dispenser STD is a compact, carry-along dispenser with 10 refillable compartments that hold 8-foot rolls of non-smear polyester tape. Used for marking binder groups, wire or cable, the tapes' high-tack acrylic adhesive resists solvents, oil and water, and adheres firmly to insulation surfaces. An end-loop hooks the dispenser easily to a tool pouch or belt. Dispensers can be ordered empty or filled with 10 rolls of either pre-printed numbers 0–9 or NEMA colors.

## Specifications and Ordering Information for 3M™ ScotchCode™ Wire Marker Tape Dispensers

Product Number	UPC (054007-)	Description	Min. Order Case Qty.
STD	12172	Dispenser only—holds 10 rolls	25
STD-X	49519	Dispenser only—holds 10 rolls	10
STD-0-9	12174	Dispenser filled with 10 rolls of numbered tape (one each of 0–9)	25
STD-0-9X	49518	Dispenser filled with 10 rolls of numbered tape (one each of 0–9)	10

STD-CX	49517	Dispenser filled with 10 rolls of colored tape (one each of black, blue, brown, green, gray, orange, red, violet, white and yellow)	10

## 3M™ ScotchCode™ Dispenser Refill Rolls SDR

This aggressive adhesive system, combined with the flexible polyester film backing, provides a thin, conformable tape that is durable and will hold up in most industrial electrical applications. The smooth surface of this tape allows dirt and grime to be easily wiped off, providing text legibility even after extended exposure to a build-up of contamination. ScotchCode Wire Marking Tape SDR is available in 10 NEMA colors, individual numbers and consecutive numbers.

The SDR tape can be used for the following applications involving operating temperatures ranging from -40°F to 250°F (-40°C to 121°C):

- Marking all types of wire and cable including power, control, fiber optic, electronic, telecommunications and instrumentation
- Phase identification on large or small gauge wire or cable
- Identification of terminal blocks, terminal strips, and wire in panel boards or a piece of switchgear
- Automotive applications on tubing, hoses and replacement parts

## 3M SCOTCHCODE WIRE MARKER TAPE DISPENSER STD

FEATURES	ADVANTAGES	BENEFITS
Compact design	Easy to handle	Easy to use
Hangs from a tool belt	Convenient	Easy to use
Provides contamination protection around the wire markers	Markers stay clean and dry	Improves quality
Can be custom filled to meet specific project requirements	No waste	Saves money
Dispenses only the desired length	Prevents waste	Saves money
Holds 10 rolls of SDR wire marking tape	Compact	Designed to increase productivity
