COMMUTER SERIES WALLET PROTECTION *for the* iPhone 5/5s

Enjoy protection that also conceals your important cards and cash. Barely adding any additional bulk to the seriously slim Commuter Series case, the new Wallet version features a sliding drawer with an audible click closure that gives you peace of mind knowing your items are safe and secure.

This case slides easily in and out of pockets and delivers tough protection from potential drops and scrapes. Enjoy a night on the town, a day hike or running errands without carrying additional bags. Grab your essentials and go.
