RS 251-3788 Screen Cleaning Wipes

RS 251-3788 anti-static screen cleaning wipes developed for daily cleaning of VDU screens and lap top computers. These Screen Cleaning Wipes are pre-saturated, soft, highly absorbent and made of a non-woven material.

- OEM approved for use on anti-glare coatings.
- Quick and easy to use.
- Reduces the risk of eye strain and errors caused by imperfect visual display.
- Available in handy wipes.
- Easy to store tub.

Packaging

1 Tub containing 100 pre-saturated wipes.

Order Code

RS 251-3788

Product Use

These handy wipes are suitable for cleaning VDU screens, filters (except mesh), microfilm/microfiche readers and all types of mirrors and lenses.

After using these handy wipes, the surface should then be dried with a suitable lint-free cloth.
