Stock No: 301-1918

RS Pro Light Dimming Controller, Wall Mount, 1 → 10 V dc

Product Details

Dimming Controller

Low voltage manual dimmer for high frequency ballasts

Single pattress fitting

Single or multiple ballasts

Requires a screened 2-core low voltage control cable

Note

Only suitable for use with the Philips High Frequency Dimming Ballast

Specifications:

Controller Type	Dimming Controller
Voltage Rating	1 → 10 V dc
Mount Type	Wall
Dimmable	Yes
Length	86 mm
Width	86 mm
Height	20mm
