Portable tyre inflator with automatic and manual charging, with inflating gun

CE

Portable tyre inflator with automatic and manual charging. This outstanding instrument, fitted with a double scale (bar/psi) gauge, is essential for garages and service stations. Ideal for testing and restoring tyre pressure accurately and quickly. The quick coupler with wall bracket allows the tank to be automatically charged. As a result, the device is always ready for use. Convenient, lightweight and compact, this tyre inflator is an irreplaceable partner for rescue and quick jobs. Do not miss the opportunity to improve your efficiency with this versatile, reliable tool!

 9,3 Kg

Technical data:

- Tank capacity: 10 l
- Max. tank pressure: 16 bar (232 psi)
- Tank pressure gauge, Ø 50 mm: 0÷16 bar (232 psi)
- Operating pressure gauge: 0÷16 bar (232 psi)
- Inflating hose length: 1550 mm
- Empty weight: 9.3 kg
