Technical sheet

BRA400P

Corner rack protection 150 x 150 x 400 mm

Corner rack protection guard designed to protect rack corners and uprights from impacts and collisions in warehouses and industrial environments. It provides effective front protection and is easy to install thanks to its base plates for floor mounting. Dimensions 140 × 140 mm, height 400 mm, made of steel with 5 mm thickness and 4 mounting holes Ø14 mm.

Customs code	73269098
EAN	3321360024145

Color : Yellow

Material : Steel

Specifications :

- Protective corner to safeguard your shelving uprights.
- Prevents deformation in the event of a head-on collision with a forklift.
