

FEATURES

- **2:1 shrink ratio:** Provides a snug fit over irregular shapes and sizes, enhancing protection.
- **Clear material:** Allows for visual inspection of components, ensuring proper installation and maintenance.
- **Halogen-free:** Reduces the release of toxic gases in the event of a fire, enhancing safety.
- **Polyolefin material:** Offers excellent resistance to chemicals and abrasion, ensuring long-lasting performance.
- **REACH and RoHS compliant:** Meets key environmental and safety standards, ensuring regulatory compliance.

RS PRO 2:1 Heat Shrink Tubing, Polyolefin, Clear

RS Stock No: 671-569

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO heat shrink tubing is designed for insulating and protecting electrical connections. Made from durable polyolefin, it offers a reliable solution for safeguarding wires and components from environmental factors. The clear tubing allows for easy inspection of the underlying components, ensuring secure and efficient installations.

General Specifications

Colour	Clear
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	3.2 mm
Sleeve Diameter	6.4 mm
Sleeve Length	1 m

Approvals

Standards/Approvals	REACH, RoHS
