

Product Specification PDF

Date	Correct as of 24th Oct 2025
Brand	Clipacore
Product	QCDCCON2
Description	Clipacore Condensemate Pro
Barcode	5013969251685
Commodity code	8207509000
Country of origin	CN

Features & Benefits

The Clipacore Condensemate Pro puts you in control when upgrading from overflow pipe to 32mm waste pipe (or larger). Simply clip the DuoCut Pro onto the 300mm long, 22mm core bit using a Core Adaptors. Then, insert the A-Taper side of the adaptor, just as you would a Guide Pin or Pilot Drill, into a larger core bit ensuring precise alignment. The 22mm core bit can also be used on its own to prevent blowing the brick face or render wall, compared to using a 22mm SDS masonry drill bit on hammer action. Made from high-quality Cr40 Chrome Steel, it offers exceptional shear strength and is specially heat-treated for enhanced durability and toughness. Contents: 1x DuoCut Adaptor Pro 1x Clipacore Core Adaptor 1x XPRESSCUT 22 x 300mm Dry Diamond Core Drill Bit 1x Quick Release Clip
