RS Pro P44, End Fix For Use With Modular Terminal Strip

RS Stock No: **794-8619**

Product Details

RS Pro modular barrier end fix strip has a flame retardant PP construction, rated at 15 A/750 V dc. Using this you can mix and match the terminations with snap together modules to provide permanent configuration. By mixing and matching the modular terminal strips you will make up what you want, when you want it, avoiding dead stock. The fixing should be made at every 16th hole of the connector. It has 4 BA nickel plated brass terminals for easy installation.

Features and Benefits

- Flame retardant PP rated at 15 A/750 V dc
- Fixing should be made at every 16th hole of the connector
- Snap fit assembly, easily modified to increase the number of ways
- 4 BA nickel plated brass terminals
- Interchangeable with standard 15 A series
