- **2440 mm length:** Suitable for a wide range of applications, providing extensive coverage

RS PRO 70mm Black D Fender, Natural Rubber

RS Stock No: 688-165

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS PRO 70mm Black D Fender is designed to provide robust protection for marine and industrial applications. Constructed from durable natural rubber and styrene butadiene rubber, this D fender is ideal for safeguarding vessels and structures against impact damage. Its primary benefit is its ability to absorb and distribute impact forces, ensuring longevity and reliability in harsh environments.
