'Euro Style' Faceplates KPH1wh, KPJ2wh, KPL4wh, KPR0.5wh, KPR1wh

The TUK 'Euro Style' 25x50 range of faceplates are manufactured in flame retardant, UV stable ABS in high gloss finish. Their standardised dimensions make them compatible with the vast majority of voice and data modules used on the UK market and they are complemented by our range of adaptors for keystones. The faceplates are supplied with fixing screws for installation.
