- Door options 4, 6 & 8

- Single or double UK socket

Laptop Charging Lockers

- Single UK socket in each compartment.

- Full height locker accommodates ten laptops

- Single door locker version allows access to all compartments under one key.

- Key-operated cam locks with two keys are supplied as standard.

Small Item Charging Lockers

- Single UK socket in each compartment.

- Key-operated cam locks with two keys are supplied as standard.

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO InCharge Lockers

Lockers are fully portable as a single unit - simply place the unit in a convenient location, plug the unit into a power point and the lockers are ready for use.

InCharge lockers - Secure workplace charging With trailing cables, the risk of theft and health and safety issues, finding access to safe and protected power points is a common problem in today's workplace. In Charge Lockers are specifically designed to help overcome this and provide a secure, easy and safe solution.
The range consists of
- Tool Lockers.
- Laptop Charging Units.
- Small Item Lockers

Lockers have been tested and conform to the requirements of the British Standard for Clothes Lockers BS 4680: 1996 'Standard Duty'.

ActiveCoat antimicrobial technology is incorporated into all our locker products at the time of manufacture, offering constant protection against a wide range of bacteria.

Important note regarding locker installations

Wherever possible lockers should be secured to ensure stability. Single lockers should ideally be fixed back to a wall. Runs of lockers should be fixed together side-to-side and either fixed back to a wall or fixed back-to-back to another run of lockers.

Approvals

Standards Met	BS 4680: 1996

Tool lockers

Designed for use in site cabins on building sites or in locations which have high usage of trades using cordless tools, these lockers keep expensive battery chargers safe.

- Choose from four, six or eight-doors.
- Single or double UK socket in four door locker, single UK socket in six or eight-door lockers.
- Key-operated cam locks fitted as standard. Other locks available, see back page.
- Available in nests of one or two.

Height - 1800mm	
Width	Depth
300mm	300mm
300mm	450mm

4 Door

6 Door

8 Door

1 Door

10 Door

Height - 1800mm	
Width	Depth
450mm	450mm

Laptop charging lockers

These purpose-designed locker units provide a safe sanctuary for laptops and real peace of mind for users.

- Single UK socket in each compartment.
- Full height locker accommodates ten laptops.
- Single door locker version allows access to all compartments under one key.
- Key-operated cam locks with two keys are supplied as standard.
- Choice of door colours.

Accessories

Sloping tops for lockers

Sloping tops are essential in hygiene sensitive locations (such as hospitals and the food industry). The slope prevents items and litter being left on locker tops and makes cleaning easier. Sloping tops increase the overall height of the locker.

Small item lockers

Small Item Lockers provide secure storage for small but valuable possessions in public areas and throughout the workplace.

- Single UK socket in each compartment.
- Key-operated cam locks with two keys are supplied as standard.
- Choice of door colours.

5 Door

Height - 930mm	
Width	Depth
300mm	300mm

Each compartment is fitted with either one or two standard UK three-pin sockets depending on the locker size.

Choice of locks to suit different applications.

Power lead is supplied with fitted RCD plug. Lead plugs into the In Charge™ Locker enabling easy replacement of the lead if damaged. Plugs into standard UK domestic supply.

All doors are independently earthed to the locker body.

One side of the locker and the doors are perforated to help prevent heat build-up. during charging.

Each shelf has an additional front-to-rear reinforcing box section to strength.
