

# Tie rod VAME-XA-Z-130

Part number: 8191764

[General operating condition](#)

## Data sheet

| Feature                                 | Value                                                                       |
|-----------------------------------------|-----------------------------------------------------------------------------|
| Length                                  | 130 mm                                                                      |
| Size of pack                            | 3                                                                           |
| Corrosion resistance class CRC          | 2 - Moderate corrosion stress                                               |
| LABS (PWIS) conformity                  | VDMA24364-B1/B2-L                                                           |
| Nominal torque                          | 1.4 Nm                                                                      |
| Tolerance for nominal tightening torque | ± 15%                                                                       |
| Product weight                          | 80.1 g                                                                      |
| Type of mounting                        | Internal hexagon, size 4 mm<br>With male thread M4<br>with female thread M4 |
| Note on materials                       | RoHS-compliant                                                              |
| Material tie rod                        | High-alloy stainless steel                                                  |
