

Features

- **Durability:** Constructed from high-quality materials to withstand demanding environments.
- **Pre-printed Labels:** Phase markings help improve safety and organisation in electrical setups.
- **Versatility:** Suitable for a range of applications, including three-phase systems, maintenance tasks, and upgrades.

RS PRO Cable Ties

RS Stock No.: 278-120, 278-122, 278-123,
278-125

Representative Image

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

Phase Marking Cable Ties are a specialised solution for electricians and maintenance professionals who require clear identification of electrical phases in installations. These durable nylon cable ties are pre-printed with phase designations, making them ideal for labelling cables quickly and effectively in industrial, commercial, or residential projects.

General Specifications

Series	Phase Marker
Type	Non-Releasable
Colour	Orange
Material	Nylon 66
Finish	Printed
Application	Bundling wire together / Tightening labels to poles
Resistant To	
UV Resistant	No
Minimum Operating Temperature	-40°C
Maximum Operating Temperature	85°C
Fire Behaviour	Self-Extinguishing UL94, Flaming 35, Non Flaming 13
Quantity	100

Mechanical Specifications

Length	200mm
Width	4.8mm
Thickness	1.2mm
Max Bundle Dia.	55
Tensile Strength	80N

Approvals

Standards Met	UL94
