

FEATURES

- **2:1 Shrink Ratio:** Provides a tight and secure fit over wires and components, reducing the risk of damage.
- **Polyolefin Material:** Offers excellent durability and resistance to chemicals and abrasion.
- **Halogen-Free:** Ensures safety by reducing toxic smoke emissions in the event of a fire.
- **REACH and RoHS Compliant:** Meets key environmental and safety standards, ensuring safe usage.
- **12.7 mm Sleeve Diameter:** Accommodates a wide range of wire sizes for versatile applications.

RS PRO 2:1 Heat Shrink Tubing, Polyolefin, 12.7 mm

RS Stock No: 671-555

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

This RS PRO heat shrink tubing is designed for insulating and protecting electrical connections. Made from durable polyolefin, it offers excellent resistance to environmental factors, making it ideal for a variety of industrial applications. The tubing's 2:1 shrink ratio ensures a secure fit over components, enhancing reliability and safety.

General Specifications

Colour	Brown
Flame Retardant	No
Halogen Free	Yes
Product Type	Heat Shrink Tubing
Shrink Ratio	2:1

Mechanical Specifications

Material	Polyolefin
Shrunk Diameter	6.4 mm
Sleeve Diameter	12.7 mm
Sleeve Length	1 m

Approvals

Standards/Approvals	REACH, RoHS
