RS PRO Screw Mount Cable Ties

RS Stock No.: 601091

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

RS PRO screw mount cable ties are a type of fastener used for holding items together, most commonly electrical cables or wires. These cable ties are made from Nylon 66 (also known as nylon 6.6) and are a one-piece, self-locking fastener. Functioning like straps to keep cables tidy, they're available in a range of sizes and lengths. The design of this cable tie includes a screw mounting hole and is suitable for binding cables or components and securing in position with a screw. These nylon cable ties should be an essential part of every toolkit. With the RS PRO wide range, there are a variety of lengths, widths and sizes to suit all your requirements.

General Specifications

Type	Screw Mount Cable Tie
Colour	Natural
Material	Nylon 66
UV Resistant	No
Fire Behaviour	Self-Extinguishing
Minimum Operating Temperature	-40°C
Maximum Operating Temperature	85°C
Quantity	500

Mechanical Specifications

Length	219mm / 8-11/16"
Width	4.2mm / 0.17"
Min. Loop Tensile Strength(lbs/kgf/N)	50lbs / 22kgf / 222N
Maximum Bundle Dia.	52mm

Approvals

Standards Met	UL, DNV GL, RoHS, SVHC, ABS, HF
