

DEWALT DCB117-GB - 18V XR 12A Fast Charger

- Single port charger compatible with DEWALT 18v XR and 54v XR FLEXVOLT batteries
- Integral fan cools charger housing and battery terminals, providing improved durability
- Improved, easy-to-read state of charge indicator
- Latching point safely and securely holds battery in place
- Screw head slots enable wall mounting for ease-of-use

Description:

The DEWALT DCB117-GB 18v XR 12A fast charger provides fast charging for DEWALT 18v XR and 54v XR FLEXVOLT batteries. An improved state-of-charge indicator shows when a battery is 80% charged, providing greater productivity. Screw head slots provide the ability to wall mount the charging unit for improved ease-of-use.
