

Features

- 3 Contacts
- Panel Mount
- Threaded Mating
- Nickel Housing
- Solder termination

RS PRO 3 Contact Miniature Circular Connector

RS Stock No.: 111-5761

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

This panel mount connector securely links your electrical devices. It's suitable for low-signal and low-voltage applications, and the three contact pins lock in with inverse connectors provides safe data and current transfer.

Featuring threaded screw terminations and solder-terminated contacts, providing good strength and ensuring high performance and reliable transfer of signal, data or power. This type of connector is frequently found in process control, industrial automation and networking applications.

General Specifications

Series	ZC
Number of Contacts	3
Housing Material	Nickel
Contact Plating	Tin
Contact Gender	Male
Mating Type	Threaded
Body Orientation	Straight

Electrical Specifications

Plug/Socket	Socket
Current Rating	1.0A
Voltage Rating	48.0 V
Maximum Current	1.0A
Maximum Voltage	48.0 V

Mechanical Specifications

Connector Size	M15
Termination Method	Solder
Mounting Type	Panel Mount
