# SZ 2500.715 - Socket box for LED system light

In combination with the LED system light, the socket box creates a flexible modular system for international use.

## Features

|                     |                                                                                                                                                                                                                                                                                                                                                                                       |
