TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description: (Text limited to 120 characters)
All red covers of the switch guards series 08-0-0... and 07-0-0... in the red / orange color

Description of Changes

The Industrial and Commercial Transportation business unit of TE Connectivity is introducing an alternative material for the red cover of the switch guard of the products listed below. The previous material is no longer available on the global market. The alternative material follows the similar technical specifications of current material. These PNs are TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. Product drawing(s) is not affected.
