

STANLEY

STANLEY 9mm FatMax® Pro Snap-off Knife

0-10-475

Features:

- Blade wiper cleans debris away
- Auto loading spare blade saves time
- Soft grip bi-material handle for comfort and control
- Stainless steel cartridge holds up to 6 blades
- Blade snapper for speed and safety
- Locking wheel to clamp blade

Description:

The STANLEY 9mm FatMax® Pro Snap-off Knife features a blade locking wheel clamp for improved safety during heavy duty cutting. The built in blade wiper cleans away any debris that remains on your blade. The durable stainless steel cartridge can hold up to 6 blades and can be auto loaded saving time and effort. There is also a built in blade snapper which can be conveniently used when you need to snap the blade segments.
