Please be informed that the data shown in this PDF document is generated from our online catalog. Please find the complete data in the user documentation. Our general terms of use for downloads are valid.

Feed-through terminal block, nom. voltage: 630 V, nominal current: 32 A, number of connections: 4, number of positions: 1, connection method: Screw connection, Rated cross section: 4 mm<sup>2</sup>, 1 level, cross section: 0.2 mm<sup>2</sup> - 6 mm<sup>2</sup>, mounting type: NS 35/7,5, NS 35/15, NS 32, color: red

#### Your advantages

- · Two connection points on each side to accommodate several conductors
- · Double bridge shaft enables individual potential distribution and supply

#### Commercial data

| Item number                          | 3048658       |
|--------------------------------------|---------------|
| Packing unit                         | 50 pc         |
| Minimum order quantity               | 1 pc          |
| Sales key                            | BE1213        |
| Product key                          | BE1213        |
| GTIN                                 | 4046356115599 |
| Weight per piece (including packing) | 15.176 g      |
| Weight per piece (excluding packing) | 15.176 g      |
| Customs tariff number                | 85369010      |
| Country of origin                    | CN            |
