RS PRO Heavy Duty Connector Housing & Hoods

RS Stock No.: 0319869

RS Professionally Approved Products bring to you professional quality parts across all product categories. Our product range has been tested by engineers and provides a comparable quality to the leading brands without paying a premium price.

Product Description

The RS Pro Heavy-Duty Connector series is a full range of heavy-duty inserts, housings, crimps and accessories. These modular inserts are made from polycarbonate and are for use with RS Pro Heavy Duty modular frames and use either a screw, crimp or spring clamp termination. These connectors have been designed for situations where they will encounter harsh environments.
