

1-54-922 1000g / 35oz Graphite Handle Club Hammer

- Full length graphite core shaft for maximum strength and balance
- Fully hardened tempered steel head for long life
- Graphite core in a polycarbonate sleeve provides excellent overstrike protection
- Shock absorbing collar – isolates vibration to the head and reduces shock
- World's 1st particle dampened handles – vibration dampening particulate handle dampens vibration better than solid core handles
