RS PRO Modular Ramp to suit 4-Drum Spill Pallet

RS Stock No.: 0360077

RS PRO is the own brand of RS. The RS PRO Seal of Approval is your assurance of professional quality, a guarantee that every part is rigorously tested, inspected, and audited against demanding standards. Making RS PRO the Smart Choice for our customers.

Product Description

The RS PRO modular ramp is designed for easy drum loading and unloading, providing a safe and efficient solution for spill pallet access. Made from 100% recyclable polyethylene, it features a slip-resistant texture to ensure stability and safety during use. With a maximum load capacity of 250kg, the ramp is durable and reliable for everyday operations. Ideal for use with 4-drum spill pallets, it ensures smooth and secure handling of drums, helping to maintain a clean and safe environment.
