## Product Description

### *RS PRO Roll Paper Stand – 256 x 180 x 3 mm Designed for Tool Trolley (Article No. 291924)*

*The RS PRO Roll Paper Stand is a sturdy, practical accessory engineered for secure and convenient storage of roll paper and lightweight tools within any professional working environment. Manufactured from robust A3 steel and finished with a sand-blasted surface, this stand measures 256 x 180 x 3 mm, offering a compact yet strong support solution as an integral part of the RS PRO Tool Trolley (Article No. 291924).*

*The RS PRO Roll Paper Stand is primarily used to safely hold and dispense rolls of paper, directly at your workstation. It helps keep rolls neatly organized and easily accessible, preventing them from getting damaged or unrolling unintentionally. Additionally, it provides a handy surface for placing small lightweight tools, ensuring that essential items are always close at hand yet securely stored.*

#### *Key Applications:*

- *Workshops & Technical Service Areas*
- *Industrial & Laboratory Environments*
- *Warehouses & Assembly Lines*

*The RS PRO Roll Paper Stand (256 x 180 x 3 mm) is a compact, durable accessory designed for effective organization and immediate access to roll paper and lightweight tools. As an ideal addition to the RS PRO Tool Trolley (Article No. 291924), it helps streamline workflows while maintaining a tidy, efficient workspace across various professional and industrial settings.*
