# RS Pro 25 Way D-sub Male, RJ45 Female Adapter

## Product Details:

### Modular Adaptors Colour Coded

Adaptors with integral RJ45 sockets and leads plus male or female crimped contacts for loading 9 or 25 way D connector plugs and sockets.

Assembled D connectors snap-fit into adaptor covers. Covers are colour coded for easy connection identification. Finger operated jack screws are included with each adaptor.

| Assembled sizes |    |    |    |
|-----------------|----|----|----|
| 'D' Connector   | L. | W. | D. |
| 9 way           | 50 | 33 | 16 |
| 25 way          | 40 | 55 | 16 |

### Note

The dimensions table refers to size following assembly
