- Easy-close metal wire front latches allow for one-handed operation
- Wider & stronger handles vs. DEWALT ToughSystem 1.0 range, providing improved performance and comfort
- Fully backwards compatible with DEWALT ToughSystem 1.0 range

### **Description:**

Navigate the toughest jobsites with the 8 in. wheels of the DS450 ToughSystem 2.0 Rolling Toolbox. Its patented auto-connect side latches allow one-hand operation. It also has 2-piece metal wire front latches for added durability when securing tools inside of the box. This toolbox offers 20% more tool storage\* when used with DS165 and DS300 as part of a tower. It is IP65 rated for dust and water resistance and has a 113kg load capacity. The toolbox has a removable inner tray for optimal organization. The ToughSystem 2.0 Rolling Toolbox is compatible with all ToughSystem products.
